

COMUNICAT

din data de 31.03.2010

Ministrul Mediului si Padurilor a semnat marti 30 martie 2010, contractul de finantare pentru proiectul "Extinderea si reabilitarea infrastructurii de apa si apa uzata in judetul Vrancea", aprobat, la sfarsitul saptamanii trecute, de Comisia Europeana.

Acest proiect va fi implementat de operatorul regional de apa SC Compania de Utilitati Publice SA Focsani, in calitate de beneficiar al finantarii POS Mediu. Proiectul cuprinde investitii de reabilitare a puturilor de apa, a statiilor de tratare a apei potabile si a conductelor de aductiune, extinderea sistemului de distributie a apei potabile, statii de pompare noi si reabilitate, extinderea si reabilitarea sistemului de canalizare, precum si construirea si reabilitarea a cinci statii de epurare.
