COMUNICAT

26.01.2011

Miercuri 08 februarie 2012 va avea loc la sediul INHGA (Sos. Bucuresti -Ploiesti 97 sector 1, Bucuresti) o sesiune interactiva de instruire in privinta conceptului de alimentare artificiala a acviferelor. Aceasta intrunire se organizeaza in contextul proiectului guvernamental romano-olandez G2G10/RM/8/4 "Managementul realimentarii artificiale a acviferelor si al stocarii energiei in acvifere" (MARES - Management of Aquifer Recharge and Energy Storage), derulat de catre Ministerul Mediului si Padurilor in parteneriat cu Ministerul Olandez al Mediului si Planificarii Spatiale. Atasat gasiti agenda evenimentului.

Confirmarile pot fi transmise pe email la office@bdgind.ro si la tel/fax 021 317.98.70, Doamna Ioana Groza.
